Consignment Sale Policy

Sharpshooters, as a Licensed Fire Arms Dealer, offers items owned by private parties for sale on our Shelves/Racks. These items are not the property of Sharpshooters Gun Store and therefore we offer NO Warrantee on them, nor do we claim any in-depth knowledge of their.

Sale of Consignment Guns and other merchandise is done as a service to those that own the products and those that are making the purchase. Because they are not ours, you are not required to pay AZ Sales tax on these items just the same as you would not pay Sales tax if you were buying them direct from the individual.

We do not share the personal information of those selling the products. We can normally convey offers to purchase if a price offer is different from what is stated. However, this could take some amount of time to contact the seller.

There are No Refunds or exchanges on consignment purchases. The purchases are final in all regards. For this reason it is important for you to know what you are buying.

We do our best to ensure that we only sell quality products in our store, to include those items on Consignment, but the purchaser has the ultimate responsibility to make the final determination on each purchase.

We trust that this clears up all understandings as to our Store Policy and we look forward to helping all of our customers find what they are looking for, even if it is through consignments sales from our store.

Thank you,

The Sharpshooters Team
