

Sharpshooters Gun Store Discount Policy

The Normal prices in our store are set as low as we can normally go and still provide the financial resources to meet our expenses & feed our family...

However, in an effort to support the community as much as possible, we have established the following discount policy:

Any active **Law Enforcement Officer** who is purchasing a Duty weapon (or primary off duty weapon) will be given a deep discount on up to two firearms per calendar year. Pricing will be established at time of sale based on our cost for the desired weapons. This does not apply to any purchase except firearms. Credentials must be presented to be considered for any discount. *(Lay-a-Way purchases are not included in this discount)*

Any **First Responder** (Firemen, EMT, Ambulance Drivers, etc...) who is purchasing a weapon for on **or** off duty self defense, will be given a deep discount on one firearm per calendar year. Pricing will be established at time of sale based on our cost for the desired weapon. This does not apply to any purchase except a firearm. Credentials must be presented to be considered for any discount. *(Lay-a-Way purchases are not included in this discount)*

All Active Duty **Military & Retired or disabled Veteran** will be given a 10% discount on all Gunsmithing work including gun cleaning and sight installation/Bore Sighting.

CASH purchase of Firearms over \$200 can receive a 2% discount just by asking for it. You must ask for it at each sale.

Thank you to our loyal customers,
